tions of thirty or more, and in woods from as far as the Yellow sea, or long distances beyond the delta of the Amazon; and pass- Found Drowned! ing through two rooms filled with lumber and packing cases, we enter a large apartment up stairs; in which the thin sheets of most expensive and beautiful veneering are TWO MEN ARRESTED ON SUSPIwedded to their more substantial and enduring foundations. The mouldings are evariably made of solid wood : and of the six hundred sorts, of every variety of color and merking and grain to be had by im Gelebrations in England on the reportation and by labor of men who live deep in American Forests, this house can exhibit as fine specimens as ever were seen. Hence into a room of considerably greater than Baronial proportions and we see a THE POPE'S NOMINEE FOR FRANCE goodly number or skilled mechanics at work, making the cases—the outsides only, of the marrelous melody making instrumentation that supplies what was never yet General Summary. described, though words should be multiplied on thousands of ivory-faced stops, and the changes should be rung forever in concerto, flute, piccolo, vocal tremolo, vox eleste Dulciana, and vox humana. In this room 48 men, doing nothing but build ing the cases, are not able to make them last enough to gratify the popular demand. Many of these cases are very elaborate, some are of different wood in handsome combination, as of black walnut and chestant about and resewood, the light and dark making a pleasing contrast. The most noted factories of Europe, and twenty-siz of the best builders arrived here a few. The Stokes trial was resuded this a. N days ago with their families, to take a band The proceedings opened by an address in turning out the work. From this depart the counsel for prisoner, animadverting ment the cases proceed to the varnish room, severely upon the grand jury which indicted when they go through a fabulous number of rubbings, scrubbings, and polishings, and the dead body of a man was found floating where they stay a whole month before the caset degree of shine is reached, without fied as that of Charles Badger, who has bee which they would never pass muster. In shape and style these assume a diversity of the Tremont House. the fremont House and style these assume a dividuality the fremont House.

The Japanese embassy were shown about Oak Wood, Cost Valley Cost P bushel at yard ties, and are patented. Some have rich the city to day, attracting curious crowds at carvings of oak leaves and acorns, and two compartments at either hand in which music.
